Job Description: A Lifeguard's major responsibility is to assure the safety of pool patrons, so it is essential that people hired as guards take the job seriously. While in the chair, guards are expected to continuously scan the pool and the surrounding grounds to ensure that the patrons are safe. Because there are many other things that need to be done to make the pool run smoothly, guards have additional duties. These may include but are not limited to:

- Trimming bushes
- Emptying trash
- Cleaning restrooms
- Stacking chairs
- Mowing grass
- Vacuuming pool
- Emptying skimmer baskets
- Re-stocking coke machine
- Organizing /cleaning pool office
- Working the window/cash register
- Guarding pool parties
- Assisting in the Concession Stand
- Any other duties assigned by managers or HHRC Trustees

We expect our guards to treat all patrons with respect, and to be friendly and courteous. Lifeguards are representatives of our pool and as such, they are expected to set a good example and to be positive roll managers. This includes using non-offensive language, not smoking on the property, no alcohol consumption during operational hours, no drug use, and following rules established for lifeguards.
